President's Introduction

Welcome to Wingham Beef Week 2018

Hello and welcome to the 31st Annual Wingham Beef Week festival, where beef producers and school students meet for competition, education and interaction.

The week-long event features hands on educational workshops, with key industry presenters, and competitions relating to all facets of the beef industry.

It is the only event of its type in the State where exhibitors are invited into the Wingham Beef Export's chiller facility, for carcass evaluation and assessment.

As well the Beef Appreciation Competition, coordinated by the Australian Intercollegiate Meat Judging Association (ICMJ) is one of only 3 such events of its type.

As General Manager of Wingham Beef Exports it gives me great pleasure to once again invite students and producers into our chillers for carcass evaluation and assessment as part of our commitment to education and promotion of the beef industry.

I am also pleased to announce that Wingham Beef Week has been successful in receiving sponsorship from Meat and Livestock Australia in recognition of the excellent work being done for the beef industry and to allow further growth of the event.

The success of Beef Week can largely be attributed to our many dedicated volunteers, the unsung 'behind the scenes' people who work tirelessly and give generously of their time. Thank you. It is people such as you who are the lifeblood of the Wingham community.

Also a very big thank you to our Sponsors. I can assure each and every one of you that without your ongoing generous support, the event would not be possible.

Beef Week is unique and a firm fixture on the annual beef calendar as an event not to be missed. Competitors, exhibitors and visitors can all be assured of an exciting and enjoyable time with us.

In conclusion if you would like to find out more, your enquiries are most welcome either by phone or email. A contact list is available in the Schedule or the Website. I look forward to renewing acquaintances and meeting first time exhibitor/competitors.

Grant Coleman.

President.

Wingham Beef Week.

Wingham Beef Week (the Suppliers) advise that participation (including passive participation) in animal handling at an agricultural show contains elements of risk, both obvious and inherent. The handling of animals is a dangerous recreational activity as animals can act in a sudden and unpredictable way, especially when frightened or hurt.

1. By signing this waiver I acknowledge that:
 - 1.1 participation in animal handling is a recreational service for the purposes of section 139A of the **Australian Competition and Consumer Act (Cth) 2010**, and also a recreational activity for the purposes of section 5K of the **Civil Liability Act (NSW) 2002**;
 - 1.2 participation in animal handling is a hazardous activity and may result in injury, loss, damage or death to me;
 - 1.3 participation in animal handling requires certain skills and experience. I declare that I have sufficient skills and experience to be able to safely and properly participate in the events;
 - 1.4 animals can act in a sudden and unpredictable ways, especially if frightened or hurt, or if exposed to loud or unfamiliar noises;
 - 1.5 animal showing events will be held in close proximity to rides and large groups of people, and that there may be loud and unfamiliar noises which can frighten animals;
 - 1.6 if the event is held outdoors, there are risks to me as a result of the weather conditions, including either extreme hot or cold weather, rain or wind;
 - 1.7 insects or other animals may cause animals to become frightened and act in an unpredictable way;
 - 1.8 there is inherent in events involving the handling of animals the risk of suffering injury including injuries caused by animals; and
 - 1.9 I use the facilities supplied for the event entirely at my own risk, as I find them and with the prior acceptance of the risk of possible danger to me.
- 2 If I suffer injury, loss or damage (**Loss**) while participating in an animal handling event, I will not hold the Suppliers, their employees or agents legally responsible for any Loss I suffer. I will not sue the Suppliers, their employees or agents for any claims, costs, damages or liability. I agree to release the Suppliers and their employees from legal responsibility for the services I have been provided and/or activity I have participated in.
- 3 I acknowledge and agree that my participation in the event and associated activities is dangerous and may have inherent risks as a result of which personal injury (and sometimes death) may occur. I acknowledge that the event and associated activities carry with them a significant risk of physical harm. I accept and assume all such risks of personal injury or death in anyway whatsoever arising from these activities and hereby waive my individual right to sue the Suppliers for all claims I or my representatives may have for

such personal injury or death against the Suppliers in regard to their negligence, breach of statutory duty or statutory guarantees arising from or in connection with these activities to the fullest extent permitted by law.

- 4 At the time of participating in the event, I have not been to any degree under the
- 5 influence of alcohol or illicit drugs.
- 6 I will not consume any alcohol or illicit drugs while participating in the Event and agree that such use may result in my being excluded from the Event or other events with no entitlement to any refund of money paid for entry to the Suppliers.
- 7 I agree to be bound by the rules and guidelines of the **Wingham Beef Week** as varied from time to time.
