Harden Horse Trials

Rider Notes

We are looking forward to welcoming you to Harden and hope you have a fabulous weekend Eventing. This year's event is again one of the biggest we have hosted for many years- which we are really excited about, but due to being at capacity it will be a tight squeeze with camping and parking- so please be patient with the OC and each other and take the time to read the below.

Important Information

Vet: Penelope Kingston- 0408250571

Farrier: Terry Howe- 0428656829

Rider Rep: Hannah Klep- 0481330508

We will have the team from CRS on course as our Paramedics for the weekend- they will be located:

Saturday: At the entry to the SJ Gate

Sunday: At the entry to the XC below the toilet block behind the Wash Bay

Please ensure that if you have had a fall, you attend the Paramedics to obtain clearance before leaving the grounds.

Vet: There will be a Vet on course for the weekend, if you need to see them, please call them on the mobile number above and they will direct you to where they can meet you or arrange to come to you. The Vet will be located at the finish of the XC on Sunday and you will need to see her even if you do not complete the XC- it is a requirement that she sights every horse that has taken to the XC

Yards and Campsites: Have been allocated.

We respectfully request that you DO NOT camp in the yard area.

We understand that this may require you to carry gear or take your horse to your float during the event, however we have for safety reasons deemed the yard area a NO CAMPING AREA.

Please DO NOT wash your horses in the yard or camping areas- there is a wash bay located behind the office/indoor yards.

You may find that the allocated camping has you all tightly squeezed in please be respectful of how you set up your camp and any free areas will be required for those who travel in each day.

Fires: Are NOT permitted this year.

Yards: Please ensure that you clean out your yards before you leave and that all manure and shavings is disposed of at one of the numerous manure dump site or trailers which are located on the grounds.

If you are using a yard alongside your float- please ensure that you collect and dispose of any manure, hay and/or sawdust in the muck heaps which are located at the back of the covered yards or in the designated areas.

Dogs: Are permitted but must be always on a lead and all poo collected and disposed of in the rubbish bins.

Scooters/Bikes: As per EA rule there is to be NO electric scooters or bikes ridden on the grounds including the XC course.

Rubbish: please put all rubbish in the bins provided

Social Media: We encourage you to promote the event positively on social media but request respectfully that in the form of an incident that you refrain from social media- this is to protect the privacy of those involved, the committee and the sport.

Post the event we encourage you to thank our sponsors, please!

Dressage: This will commence at 8:00 am on Saturday – please review the draw and ensure that you present to the marshal prior to entering the final warm up area behind the judges' cars.

Show Jumping: This will commence at 11:00 am on Saturday with EvA65. Please review the draw, you will need to let the marshal know when you are ready to jump.

If the dressage is running close to your SJ time, we do ask that you don't delay the changeover between disciplines and promptly make your way to the SJ ring.

You will be warming up behind the cream shed for your walk, trot, canter and test the brakes etc initially, and then being called into the area for 4-6 practice jumps with only 2 horses in the area at a time before being called into the ring

X-Country: This will commence at 9:30 am on Sunday with EvA65 - this will be a ride up draw so we need to you to remain alert to the announcements calling you to the warmup area.

We have a warmup area in which you be marshalled into to commence your warmup by the marshal in as close to draw order as possible, and then marshalled into the jump warmup area for 4-6 practice jumps before heading out on course- this area will only be open to 4 riders at a time

End of Day: At the conclusion of the XC is a very busy period for the organising committee, so we politely request that if you have any questions in regards to your performance that you attend the office, collect query form and take this away to complete it, bring it back to the office and the Organising Committee/TD will review your query and respond directly with you.

Please note that this may take some time and you will need to be patient.

Following the response provided if you are not satisfied you will be required to put down a \$50 non-refundable protest fee.

Presentation:

There will be a formal presentation this year- the winners of each class are asked to present with their horse outside the office so that we can award the Rug and grab a photo for our sponsors.

The other place getters are asked to attend the presentation.

Whilst we understand that you are all keen to get on the road after a big weekend- but prizes will not be handed out until 30mins after the posting of the last class results and we respectfully request that you present outside the office.

Prizemoney will be deposited via PayID only after we receive an email thanking the sponsor of the class directly- you will have until the 10th June 2025 to send the email after that time you will forfeit your prizemoney.

NO RIBBONS, RUGS or PRIZES will be posted to those who are unable to attend the presentation.

Canteen: There will be a canteen in operation for the weekend and we are sure you will find something tasty there to eat. The canteen will be run by the Pony Club and open for Breakfast from 7am on both Saturday and Sunday.

The Pony Club are also offering takeaway dinners on both Friday and Saturday night- please see the canteen to put through your order.
