Riders are reminded that they MUST report to the Paramedic/Medical Officer before leaving the venue, or riding another horse, if they have a fall - no matter where the fall occurs. It is the riders responsibility to report. The penalty for not reporting is a yellow card. Riders eliminated must still report prior to leaving the grounds.

Set up a Nominate Login: If you don't have a login to Nominate, sign up for one, it means you don't have to enter all your information each time you enter. [Click here](#)

Reverse Qualification (Applies to International and National)

A reverse qualification is triggered by two consecutive Cross Country eliminations or a total of three Cross Country eliminations within 12 months rolling period of time in competitions EvA95 and above.

For this purpose the relevant reasons of elimination on Cross Country would be:

- a) Three refusals... XC-R**
- b) Fall of Horse or Athlete... XC-FH or XC-FR**
- c) Dangerous riding...XC-DR**

Please check results and be mindful when entering competitions. If the Combination (horse & rider) or the horse has been eliminated twice consecutively or three times in 12 months.

The horse (or combination if applicable) is required to obtain at least one MER, at the level below the level that triggered Reverse Qualification, before competing at the previous level.

Codes for Cross Country Elimination

XC-FH... Fall of Horse

XC-FR... Fall of Rider

XC-R... Refusals (3 or more)

XC-DR...Dangerous Riding

XC-AH...Abuse of Horse

XC-OT...Other, error of course etc
