Welcome to the 2018 Equestrian Victoria Interschool State Championships

Thank you to all riders, supporters and sponsors of the 2017 State Championships and welcome to our 2018 Sponsors.

What an exciting year we have coming, two major events with the Australian Interschool Championships to be held in Werribee in 2018.

We know many riders are keen to be part of this great experience. We look forward to welcoming our new young riders who are participating for the first time at the State Championships.

Some of these changes for this year's event include:

- The 2018 Victorian Interschool State Championships require that rider/horse combinations have participated at an Interschool event since the 9th April 2017 up to and including 4th March 2018. You do not have to have competed in every discipline or achieve specific scores, you just need to have attended an interschool event (see further details in conditions of entry)
- Stabling and camping will be limited, there will be no portable stables and stables will be allocated online at time of booking via the WPNEC web site, further details will be provided on how to make bookings, this cannot be done at this time.
- Volunteers are crucial to run this event; we shall offer the option for riders to pay \$50 at time of entry to eliminate the need for them to volunteer. This money will then be used to subsidise the cost of paid volunteers. Events simply cannot run without huge resources
- The timetable for events has changed please check the dates in the schedule.
- Show jumping will all be conducted on the all-purpose grass area
- Gear checking will be conducted by EA stewards throughout the event

We again plan to have our unique merchandise which will feature the names of all the riders and a dinner event is in the planning with a special guest.

Please read the General Rules and Conditions before you enter, it is also your responsibility to also know the discipline rules. The Organising Committee looks forward to welcoming you all to the event and hope you have a great time catching up with friends, enjoying your horses, representing your school and achieving personal bests.

If you have any questions please do not hesitate to contact me.

Regards
Lisa Hocking

Codes of Conduct for EA Conducted Equestrian Events

Codes of Conduct for competitors, spectators and volunteers as well as other relevant Codes and Policies relating to the conducting of an equestrian event under EA rules are available at the EA website. Discipline Rules and Regulations

It is the responsibility of all riders supported by, team managers and parents/guardians to ensure you understand the rules relating to the classes you are entering. Discipline rules can be found here <http://www.vic.equestrian.org.au/content/rules-regs-and-forms>

Social Media

Internet social networks such as Instagram, SnapChat, YouTube, Facebook and other forums have proven to be a great way for people to share information, ideas and opinions, and keep in touch with family and friends.

We ask that all Interschool riders and families treat their fellow riders, officials, judges and coaches with respect by ensuring the language and comments

they use are respectful, treating others, as they would like to be treated.

It has come to our attention that in the past some people may have posted disparaging and inappropriate comments and materials. It is important to remember that such conduct is absolutely unacceptable and is not in line with Interschool values and EA Codes of Conduct. Breaches of the Codes of Conduct may lead to disciplinary action.

We would also like to remind competitors and support members of the potential risks that posting your personal information in the public domain may pose to you, your family and friends. Remember many of these sites have features that allow you to restrict access to your information to trusted people. Loading photos of you and your friends, listing your school or work, where you will be going and other personal details in the public domain where the information can be seen by anyone, has the potential to impact your own personal security. Please be aware of this when communicating in such public forums and be careful.

Smoke-free Environment: In accordance with the EA recommends that the following policies be applied to all sporting and social events that we hold or endorse: • No smoking shall occur at or near sporting events involving children and young people under the age of 18. This policy shall apply to coaches, athletes, officials and volunteers. • Social events shall be smoke-free, with smoking permitted at designated outdoor smoking areas. • Coaches, officials, volunteers and athletes will refrain from smoking and remain smoke-free while they are involved in an official capacity in our sport.

Close of Entries

Entries close 10pm Sunday 25th February 2018.

No late entries will be accepted.

Australian Championships

The first and second place getters in Dressage and Showjumping classes for each of the National qualifying events (these are marked by "Nat " in schedule) are eligible to represent Victoria at the Australian Championships to be held in Werribee, 1st to 5th October 2018. Placing 3rd and 4th in those events will be the team reserves in Dressage and Showjumping.

In Show Horse and Combined Training, place getters 1st to 4th in National qualifying events (these are marked by "Nat " in schedule) will be eligible to represent Victoria. In the event of the first -fourth place getters being unable to attend the Australian Interschool Equestrian Championships, the remaining places will be filled at the discretion of the Interschool Committee.

Qualifications are based on the combination of horse and rider, there will be **no substitution of horses or riders in qualified combinations.**

At the Australian Championships riders will be limited to competing in 2 classes, they may still compete on 2

horses, but the limitation of 2 classes per rider will remain. Eg 1 horse in 2 levels of dressage, or combined training and 1 dressage class, show horse and 1 dressage class, 2 horses in 2 different show jumping heights. For the purpose of clarity Class in the Australian Championship schedule refers to 2 dressage tests at the same level, 3 phases of show horse, 3 show jumping competitions at the same height.

Specifically should a rider/horse combination qualify in Show Jumping or Eventing and also in dressage and/or show horse, riders will need to decide which class to compete in when the Australian Championship schedule has eventing or show jumping scheduled first in the competition. Riders cannot compete in jumping competitions prior to competing in dressage or show horse.

Eventing Team Selection

There are six (5) opportunities on the EV eventing calendar at which riders can earn points. The riders three (3) best event scores will be used on the leader board, the top four (4) riders in each level will qualify for the Interschool Australian Championships.

In the event that a rider competes on the same horse in different levels the points remain at the level they are earned, eg, if earned 4 points at Prelim and then commence competing at EVA105, the 4 points stay at Prelim.

Subject to achieving a (MER) see below, placing in Interschool section of class will earn the following points:

>>> 1st =4pts

>>> 2nd= 3pts

>>> 3rd = 2pts

>>> 4th = 1pt

Minimum Eligibility Requirement (MER) to earn points.

- Minimum of 50% in dressage
- Clear of XC jumping penalties (you may have time penalties and in one MER you can have 20 XC penalties)
- No more than 16 Show jumping penalties

Interstate Competitors

Competitors from states other than Victoria are eligible to compete in the Equestrian Victoria Interschool Championships. As these are interschool events, rather than general EA young rider or junior

events, riders will be representing their schools and therefore will very likely have to qualify in the state jurisdiction of their school.

As schools are largely funded by their state Department of Education, there are not likely to be many instances where a school would be happy for a national representative to represent a state that does not fund the school.

Parents may wish to inquire with their schools what their policy is if they are very close to the border. It is likely the schools have dealt with these issues before and can provide some form of clarification to parents about their policies on student representation. Interstate competitors will require a letter of permission from their school acknowledging that should an interstate competitor qualify for the Australian Championships, the competitor will represent Victoria at the Australian Interschool Equestrian Championships, and not the state in which they attend school.

Refund Policy

Withdrawal of entries prior to the close of entries will have a refund of entry fees less a \$25 administration fee.

There will be no refund of entry fees after close of entry, a substitution can only be made within 3 weeks of close of entry subject to the substituted horse /rider being qualified to compete. Facility fees will be refunded on production of a vet or doctors certificate within 7 days of the end of the event

Requests for refunds of camping and stabling costs need to be directed to WPNEC and will be at their discretion

A minimum 80% of entry fees will be refunded if any competition is cancelled in its entirety due to any circumstances beyond the control of the organising committee.

Reservation of Right

The Organising Body reserves the right:

- To cancel any class or event
- To divide any class
- To transfer competitors between sections of a class
- To alter the advertised times
- To refuse any entry, with or without stating the reason

Dress

Riders are to wear their school shirt (and tie) with school jumper, light coloured jodhpurs and smooth-soled, low- heeled boots (short or long, refer discipline rules). Gloves are compulsory for Dressage, preferably light coloured. Gaiters and long boots may be worn in all disciplines **except Show Horse**, where top boots and gaiters can only be worn by competitors 18 years and over in rider phases.

Helmets

Riders must wear an approved helmet with the chin strap fastened at all times. Protective headgear must conform with one of the current approved safety standards:

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked.
- Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked, or standard SNELL E2001.
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked.
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark.

Membership

To be able to participate in State and National Interschool Championships, **athletes must be current, "COMPETITIVE" members of their State Branch of EA.** (Participant Members are not eligible to compete.)

Riders holding current EV memberships should enter their current membership number at time of entry those riders that are not EV members at time of entry will need to take out membership before the start of the competition. At time of entry, new members enter the membership number as 99999 and contact the EV Office for more information on membership or process a new membership online via <http://www.vic.equestrian.org.au>.

Without a current EV Competitive Membership riders will not be allowed to compete.

There is a comprehensive membership check done prior to the event to ensure no rider competes without the relevant membership insurance. It is the entrant's responsibility to meet this criteria.

School Teams

All riders from the same school are considered to be in the school team. At time of entry all riders must enter the school name in the correct format. The top four individual rider's scores for each school are considered for the team aggregate score. No composite teams are allowed.

If a rider has two horses, then each is treated as a separate combination for point scoring and only one can count in the top 4 riders for the school points. Trophy Rugs will be awarded to 4 highest placed riders of the winning school team, with rosettes to all members of first – third placed teams.

Individual Riders

Schools that cannot field a team of four or more competitors are encouraged to enter riders as individuals, provided they are endorsed by the school. School uniform rules apply to individuals as well as teams. Individual riders can qualify for the Australian Interschool Championships.

Award - The Nan McArthur Perpetual Trophy

The Nan McArthur Perpetual Trophy will be awarded to the Champion Individual Rider for both Primary and Secondary Riders. The overall Individual Primary and Secondary Champion will have points accrued from their best four events only. In the case of equality of points the rider achieving the highest points in the highest levels will be declared champion. ie. if a Secondary rider wins 2 prelim tests and 2 x 75cm jumping events this rider will place lower via the countback than a rider who wins 2 elementary tests and 2 x 120cm jumping events.

Presentation of Nan McArthur and team awards will be performed at the winning rider's school after the event, no announcement will be made at the event

Award – Racing Victoria Off the Track Award

Racing Victoria sponsor the best performed retired racehorse in the disciplines of dressage, show jumping, eventing, combined training, show horse and games/handymount.

The winners will receive an embroidered rug. In the case of equality of points in a discipline the horse achieving the highest points in the highest level class will be declared winner. Horses must be nominated for this award at time of entry and the horses racing name provided.

Individual rider and school point's allocation

The scoring system has now been simplified

Each phase/test in a class will have 35 points allocated from 1st receiving 35 points down to 35th receiving 1 point. If there are more than 35 riders in a class they receive no points beyond 35th place. Rosettes will be awarded to first – sixth place getters in all phases.

Championships will be placed 1st to 6th and will be determined based on the points earned across the phases/tests in a class eg. points earned in both novice dressage tests are added together to determine the championship. If you enter showjumping and jump in 3 phases you will receive the points for every phase where a rider places 1st to 35th. ***Championship placings, Freestyles and Pas De Deux classes, do not earn points for individual or team awards.***

Champion points are awarded only where an athlete has completed all phases of a class without elimination or disqualification.

Equality in class placings will be resolved for places 1st to 6th. If equality cannot be resolved, riders will be awarded equal placing and share points. For example one rider may be awarded 6th place and receive 30 points, two riders may be awarded 7th place so each will be awarded 28.5 points, then the next placed rider would be awarded 9th and 27 points.

The individual rider points are determined by accumulating only the best 4 scores for each rider, so the maximum possible points per rider is 140, the championship points are not included only phases/tests.

Team Managers

Team Managers are the point of contact between riders and any Interschool Officials. Team Managers are responsible for distributing/discussing relevant competition information. They are also responsible for ensuring that riders are aware of and adhere to the Codes of Conduct and that team members are ready to compete on time, in the correct arena. It is the responsibility of the Team Manager to obtain individual medical information for riders. All queries and complaints can only be made through Team Managers (not via parents or friends of riders) to the Ground Jury. Team Managers are responsible for

ensuring that nominated helpers report for their duties.

Every rider must nominate a team manager for the school, if there is only one rider from the school that rider must nominate a parent as the team manager.

Horses

All horses and ponies must be four (4) years of age or over at the time of nomination based on 1 August birthdate.

Stallions are permitted and the team manager, rider and person responsible must ensure Stallion Safe Practice Guidelines are followed

<http://www.vic.equestrian.org.au/Stallion-safe-practice-guidelines>. Please advise the organising committee in writing if you are planning on entering a stallion.

A rider may nominate to compete with up to three (3) horses at State Championships. Riders need to be aware this may cause schedule clashes that cannot be resolved. Parents are also reminded to consider child and animal welfare when entering classes.

Rider Number

Each horse must wear a bridle or saddle number on each side of bridle or saddle cloth. This must be worn at all times. Competitors are to provide their own number holders.

Gear Check

Gear check is the responsibility of the Team Manager, however EA Stewards this year will also conduct checks. Discipline rules can be found on the EV or EA website. Judges have the right to eliminate a rider if they compete in the incorrect gear.

Objections and Disputes

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes or complaints. Objections must be made in writing to the Organising Committee within thirty (30) minutes of completion of the class giving rise to the objection. **A formal protest requires a deposit of \$200.00 that will be forfeited unless the objection is upheld.**

All objections must be made through the Team Manager to the Ground Jury and the decision of the Jury will be final and no other discussions will be entered into. No objections will be accepted through

parents.

General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

Volunteers and Helpers

The running of equestrian events relies heavily on volunteers. At the Interschool Championships, volunteers will include numerous parents and other supporters. Abuse by a rider, parent or associated person that is aimed at any volunteer or official at an EA Interschool event will not be tolerated. Incidents of this nature will result in immediate elimination of the rider.

Many of our helpers are experienced, others are not. Be sure to ask for assistance if you are unsure of what to do. To keep the event on time, it is crucial for helpers to report to the Volunteer Coordinator 15 minutes before their scheduled duty begins. Helpers who do not perform their designated duty risk the elimination of their corresponding competitor. It is the responsibility of your helper to notify the Volunteer Coordinator and find a replacement if they are unable to fulfil their allocated duty.

We would be grateful if you could please advise whether any helper or volunteer is a Veterinarian, Doctor, Farrier etc.

In 2018 we will offer the option to **pay \$50 at time of entry if parents do not wish to perform a volunteer job for a minimum of 2.5 hours**, this fee will allow us to employ appropriate persons to fill the roles of volunteers.

Facility Fee, Camping, Stables and Yards

The WPNEC facility fee of \$16 per horse is compulsory and will automatically be charged based on days you are competing at time of entry.

Stables are \$90 for the first night, and \$30 for each subsequent night and includes bedding and cleaning. Upon arrival, the stable is filled with bedding supplied by Mulch Xpress. There is an extra supply of bedding for stable top ups if required.

There will be stable changeovers during the week and the process to facilitate this will be advised closer to the event.

Yards are available FREE and are not reserved; you

choose your yard on arrival. For competitors who require shaving for yards, bales of shavings you can purchased for \$14.50 on arrival at Werribee Park.

As a condition of using a yard, please ensure that the yards are raked clean before leaving, leaving the manure in the designated spots and not under the trees.

ALL Powered Camp Sites and Stables and MUST be booked online via the Werribee Park National Equestrian Centre online booking system.
<http://wpnec.com.au/bookings/>. Allocations are completed based on order of booking. Bookings will open on 1st March 2018 9 am.

No bookings will be taken over the phone or via paper forms

Camping in powered sites is \$20 per night, to accommodate demand some sites will run off generator power.

There will be no changes to stable or camp site allocations once the online booking has been made, if schools wish riders to be together you will need to co-ordinate booking a block of stables/camp sites.

No camp fires are permitted.

Horse must not be exercised during non-daylight hours. All horse must be in yards or stables during non-daylight hours.

Rubbish

Bins will be placed around the grounds. Please use them and take care not to leave rubbish loose on the ground, particularly plastic bags that can spook horses when flying in the wind.

Horse Welfare

The welfare of the horse is paramount. Instances of cruelty or mistreatment should be reported to the Organising Committee.

Unsoundness – Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during competition. At other times a horse that is stopped or reported by an official who considers it to be unsound must attend the Veterinary Surgeon before continuing on in competition.

Medication Control – Any competitor requested by an official from the Organising Committee to attend for sample testing must present to the official Veterinary Surgeon as directed.

Important Etiquette

Please respect other riders and horses by not yelling, running or interrupting when they are competing or in the stable or warm-up areas. Remember to pass riders left side to left side in warm up arenas. Spectators must enter the indoor arenas quietly or wait until the competitor is finished. Dogs are not permitted in the indoor arenas. Offices on the grounds are rented by businesses, so please be courteous by not running or yelling near the offices.

Swabbing

The use of prohibited substances in your horse is not tolerated and riders must be aware that swabbing of horses may occur at random and will be conducted at this event.

<http://www.wini.com.au/> up until 26 February 2018

Reporting and Safety Measures

In order to ensure that the event runs as close to schedule as possible, we will need the cooperation of Team Managers and parents to make sure riders are on time for their classes. Allocated rider times may vary slightly, but the draw order will not. Stewards and officials are present to help the event run smoothly and on time. For the safety of competitors and spectators, please obey any directions given by a steward or official.

Bicycles and Motorised bikes and scooters

Bicycles must not be ridden without a helmet. Parents are responsible to ensure children ride in a

safe manner and do not frighten horses or leave bicycles on the ground where they may be a hazard to people or horses. No bicycles in Stable area. Motorised bikes and scooters ARE NOT permitted .

Dogs

Dogs must be under effective control at all times and are not allowed in marshalling or competition areas, including any part of the indoor arenas.

Alcohol

As this is an elite sporting event for under age athletes, adults please be mindful of the example you are setting. Any rider under 18 years of age drinking alcohol will be eliminated from the event. It is also an offence to supply alcohol to under age persons and will result in your rider being eliminated.

Image Consent

By entering this event you give your consent to EV to copy or reproduce images of yourself as EV may determine, without acknowledgement of yourself and without your entitlement to any remuneration or compensation now or in the future. Dressage Test

These can be downloaded from <http://www.equestrian.org.au/dressage-rules>

Dress

Refer to Dress rules in general conditions. Freestyle and Pas De Deux can optionally be ridden in costume

Scoring System

Championships will be decided as per rule 3.19 of the EA Dressage Competition Rules on the following basis:

- Overall Level Championships are to be decided on points system based on the combined results of two tests at each level
- In each test the first placed horse will get 35 points, second will get 34 points, third will get 33 points and so on down to 30th horse receiving 1 point, if there are more than 30 riders in a class they receive no points beyond 31st place.
- If there are more than 35 entries per class, classes will be split into separate divisions and a ride-off will be required to determine the Championship. The top placed riders in each division will ride the highest test at the level, the scores from this ride-off test will be used to rank the Championship. A maximum of 6 riders will participate in the ride-off, therefore if there are 2 divisions, the top 3 riders from each division will be in the ride-off.
- If there is equality in scores in a ride-off after application of the EA scoring rules– if riders on equal scores came from the same championship division, the placing order from the championship will determine the overall placings. If riders were in separate divisions, riders will need to submit their best 3 results for selection by independent person.
- These points are used to determine special Individual and Team Awards
- Pas de deux and freestyles do not earn points towards individual or team awards.

Interschool Championship Combined Training Rules

The Combined Training will run in accordance with EA Rules in the Current EA National Eventing Rulebook, which can be obtained from the website, and contains dressage and jumping phases only.

- Riders are only permitted to compete in one class per horse.
- The same horse and rider combination must complete both phases of the competition. Elimination from one phase involves elimination from the competition.
- Each class will be limited to a maximum of 80 riders based on order of entry and if there are more than 40 entries per class there will be two divisions. A waitlist based on order of entry will be used for classes with more than 80 entries, places will be offered when withdrawals occur only.**
- Eventing riders cannot enter combined training at a level lower than they are currently eventing at.
- No whip is allowed in the dressage phase, however whips of no more than 75cm are allowed in the jumping phase.
- The first to fourth place getters of the National qualifying events (these are marked by "Nat column " in schedule) are eligible to represent Victoria at the Australian Championships. Placing 5th and 6th in those events will be the team reserves. In the event that a class has 2 divisions, the riders placed 1st and 2nd in each division will be qualified and riders placed 3rd will be the reserves.
- Primary 35cm** please read special conditions of entry on Page 5

Scoring System

- As combined training runs under Eventing rules, riders are placed based on the number of penalties they incur over the 2 phases. This means that the rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100 and multiplying it by 1.5. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per Jumping.
- In the case of equal scores for placings in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, then the placings will be shared and the subsequent place not awarded.
- In each class the first placed horse will get 35 points, second will get 34 points, third will get 33 points and so on down to 35th horse receiving 1 point, if there are more than 35 riders in a class they receive no points beyond 35th place. These points are used to determine special Individual and Team Awards.

Phase 1 -One Round Table A Article 238.2.1

Athletes with equality of penalties for any place are placed in accordance with the time taken to complete the round. In the event of equality of penalties and time for first place, there may be a jump-off over a shortened course over obstacles, which may be increased in height and/or spread in accordance with the provisions of the schedule. Please note- this is only if faults and times are exactly the same so is very rare that this second round jump off is ever run.

Phase 2 - Two-Phase Article 274 5.3

This competition comprises two phases run without interruption, each at an identical or different speed, the finishing line for the first phase being identical with the starting line for the second phase.

The first phase is a course of 7 to 9 obstacles with or without combinations (Table A against the clock). The second phase takes place over 4 to 6 obstacles, which may include one combination (Table A against the clock).

Athletes penalized in the first phase are halted by ringing the bell after they have jumped the last obstacle or when the time allowed for the first phase has been exceeded, after crossing the finishing line of the first phase. They must stop after crossing the first finishing line. Placing is according to the penalties and time in the second phase and, if necessary, to the penalties and time in the first phase. Athletes stopped after the first phase may only be placed after athletes who have taken part in both phases. In the event of equality for first place, the tied athletes will be placed equal first.

Phase 3 -AM5 Article 238.2.2

This is a competition not against the clock, but in the event of equality of penalties for first place, there will be one jump-off against the clock. Other athletes are placed according to their penalties and time in the first round. All Riders who Jump Clear in the first round will be invited back to complete the second round at a raised height. (approx. 5cm)

- The first and second place getters of the National qualifying events based on the Championship results (these are marked by "Nat column " in schedule) are eligible to represent Victoria at the Australian Championships. Placing 3rd and 4th in those events will be the team reserves.
