**COVID-19**

If you or a member of your family feels unwell on the morning of the event please do not come! A refund will be offered in the event that you are showing any symptoms.

- We must record names and details of everyone who attends on the day. The easiest way to do this is with the App developed by Nominate. ## NOMINATE EQUESTRIAN APP - ONCE YOU ARE REGISTERED

You will need to login to the Nominate Equestrian App. It comes up with 4 buttons and 1 of these is a check-in button. At the gate entry you will find a QR code, this is to scan after you click on the check-in button. It will record your details and your time of entry. Once you have scanned, you will notice the "check-in" button becomes "check-out". On leaving the event you will need to click the check-out button.

The Nominate Equestrian App has been in use for a number of competitions. It is expected that everyone has the App on their phones to ensure check in and check out procedures run smoothly and are not delayed.

## BIOSECURITY

For information in relation to travel permits & spraying please contact your local Department of Primary Industries. It is a requirement for entry to this event that all competitors provide a current **Horse Health Declaration form** for each horse entering the showgrounds.

**A new Equestrian Qld HHD Form is required upon check in every time a horse is brought onto the grounds. You must submit your Horse Health Declaration when checking onto the grounds at gate 4 - Harvey Road.**

The Horse Health Declaration form can be found at <http://www.qld.equestrian.org.au/sites/default/files/EQ%20Horse%20Health%20Declaration.pdf>.

Biosecurity legislation requires we all must keep Movement Records when we take our horses somewhere. A Movement Record can take many forms – it can be a written note in a diary, a horse health declaration form, a note in your smartphone, etc. It needs to record the date of the horse movement, a description of the horse, the property of origin (including PIC), where you are going (including PIC), and who completed the record. You are required to keep these records for 2 years.

The Horse Health Declaration form that you will be required to submit at Check In can also be your Movement Record, however, as we require you to submit your Horse Health declaration form to us, you will need to take a copy of the form, e.g. photo with your phone. You will also need to create a Movement Record for your trip home.

Please ensure you have provided a PIC number and that you enter this PIC number on your nomination form.

***\*A wrist band will be issued to all attendees that will be on site, on receipt of the Horse Health Declaration form at check in. This is to ensure all attendees are registered as per COVID-19 Government Health Guidelines. Different coloured wristbands will be allocated for each day and for those that are camping. This wrist band must be worn at all times. \*\* Additionally riders must wear their wrist band to allow the rider to pass through gear check during this event. NO ARMBAND = NO RIDE.***

**Horses**-do not bring sick horse/s to this venue. Practise good biosecurity before, during and after going to an event. Horses must not be tied to any fences or trees. Horses must NOT enter the camping areas. Do not erect electric tape or portable yards. Do not dump manure from trucks/ trailers anywhere other than the allocated stable waste points. Do not put manure on trees. Leave stables, camp areas and arenas clean and tidy. A cleaning fee is charged for stables or yards not left clean after the event and any stable waste and manure not deposited at the designated stable waste site. Horses, when not being ridden , must be kept in allocated stables or yards.

Horses are allocated a number on the Draw. This number **MUST** be displayed on the horse's halter, bridle or saddle pad, whenever the horse is taken out of its stable or yard and is being led, ridden, competed or lunged on the grounds at an event.

Riders must ensure that their stable has the owner's name, contact details and horse name displayed in case of emergencies.

## ENTRIES & SUBSTITUTIONS

Riders/Horses must be registered with Interschool Queensland. **ALL Horses must be EA Life registered** and **ALL Riders must be EA Competitor Junior members** to compete at this Championship event. The organising committee reserves the right to accept and/or reject entries. Competitors are reminded that Medication Control (swabbing) can occur at any event run under Equestrian Australia rules and regulations.

Riders may enter a maximum of 6 classes per horse across the State Championships. However, for scheduling reasons, riders may have to make a choice between classes if there is a time clash. The total classes allowed will not include Eventing as it is held at a separate event.

Riders are asked to consider the welfare of the horse when considering their state classes. The organising committee reserves the right to discuss the number of entries for a horse/rider combination per day if they have concerns.

## A rider can enter a maximum of two horses in each discipline providing that each horse/rider combination is qualified

- **Dressage** - each horse can compete in a maximum of two classes across the event. A class is two dressage tests at one level. For riders entering two classes on a horse, these classes must be at consecutive levels. Rider/horse combinations may also enter one freestyle class provided that the "no more than 3 tests in one day rule" is observed.
- **Show Jumping** - Competitors may enter 2 horses at the same or different heights. Each horse can compete in a maximum of two classes. A class is three show jumping tests at one level. For riders entering two classes on a horse, these classes must be at consecutive heights.
- **Show Horse** - Competitors may enter a maximum of two horses.
- **Combined Training** - Competitors can ride two horses either in the same height or different heights. Each horse can compete in one height only.

Show Horse riders are not able to use results from the previous year's state championships as qualifying results.

### Substitutions

On approval from the IQ committee, riders may substitute an alternative **qualified** horse up until the start of competition for the day providing details of the IQ horse/rider registration is presented to the organising committee. No rider may be substituted for another rider

### Important note for riders wishing to compete in more than one discipline:

**The organising committee will endeavour to structure the draws such that riders may compete in two disciplines on the same day, but riders must understand that, if this is not possible, they may have to prioritise one discipline over the other.**

### Horses

Horses are **NOT** to be ridden by anyone other than the rider nominated on the draw at events from midday on the day prior to the event commencing until conclusion of the final discipline on the last day of the event. This includes at any mounted presentations. This ruling applies even if a horse has completed its competitions at an event.

The exception to this ruling is that a horse can be ridden by more than one sibling rider at an event in different disciplines and the horse does not compete in more than the maximum number of tests/sections allowed in the day by EA discipline rules (eg, no more than 3 dressage tests in one day).

### Primary & Secondary Riders

Rule 5.2 of the 2020 IQ Handbook states that riders compete in Primary and Secondary School Divisions as per the EA Interschool Rules - (EA Rule 10.2.2 )

Primary competition is restricted to athletes enrolled up to and including year 6 in the year of competition.

The Secondary competition is for those enrolled in years 7 to 12 inclusive in the year of competition.

In the Dressage, Show Horse and Show Jumping competition there are Intermediate Secondary and Senior Secondary classes. Intermediate is defined as those athletes enrolled in years 7, 8 and 9. Senior divisions are for those athletes enrolled in years 10, 11 and 12 in the current year.

## Disputes

All protests or complaints are to be managed with respect through the official channels.

No competitors or parents are to directly approach any judges, stewards, course builders or any other officials or volunteers before, during or after the competition with disputes or complaints.

Any disputes, complaints or queries during the event must be lodged in writing with the fee of \$100 as per rule 6.1 in the 2020 IQ Handbook pg. 9, to the TD via their school convenor **within 30 minutes** of the posting of the scores which gave rise to the objection. The decision of the Technical Delegate/Ground Jury will be final and may not be appealed. General questions can be asked in relation to errors on results or in relation to the running of the event through the event office.

## CONDITIONS OF ENTRY

The IQ State committee values the attendance of all riders, parents, officials, spectators, sponsors, volunteers and supporters HOWEVER it is a condition of attendance at this event that each person present on the grounds is bound by the rules, policies and by-laws of Equestrian Australia. This includes comments on social media.

**As per EA general regulations the following will apply;**

- To cancel any class or Event.
- To divide any class.
- To alter advertised times.

Those not adhering to these, risk elimination from the competition. Damage to any third party by anyone at the venue of the competition will be the responsibility of the adult involved or the parents or guardians of those who caused the damage. In particular IQ, EQ and EA accept no responsibility relating to the use of motorised vehicles on the grounds over the course of the competition.

As per the Equestrian Australia 2019 National Interschool Rules, and Member Protection Policy it is expected that athletes and their support teams/parents will adhere to the rules of the competitions in which they participate and that they will show respect for other competitors, their horses, officials, judges and administrators in their actions and their words including on Social Media.

There are formal mechanisms for requesting clarity of committee decisions and for disputing results. Whilst each discipline has rules and regulations specific to that discipline available for download from the EA website, the conduct of members of the sport overall is controlled by the Member Protection Policy.

There are also general competition codes of conduct that apply to ALL Interschool competitions. Breaches of these general conduct practices will result in disqualification from the competition and depending on the severity of the offence, the athlete and/or their associates may face disciplinary action.

At an Interschool event the Organising Committee, Technical Delegate/s, Ground Jury and Officials are responsible for ensuring Horse Welfare guidelines and EA Codes of Conduct are observed.

The following EA Codes of Conduct must be observed by all competitors and their parents/guardians, during any activity held or sanctioned by EA – including Interschool events – or as an athlete/participant in any activity held by or under the auspices of the organisation or one of its affiliates. The competition times in the published schedule are correct at the time of publication and should be taken as a guide for competitors only. The final schedule draw will be posted on the morning of each competition day and available on the event Team App.

Rings may run early due to scratchings. Please be attentive to announcements to this effect on the day. Riders may be required to ride earlier.

Riders who are late, without prior approval from the OC (e.g. let the office know if you are held up in another ring), may be excluded from the class.

### Rider Numbers

Correct numbers as per the draw must be shown on **both** sides of the horse when competing.

This number should also be displayed on the horse at any time the horse is taken out of its stable or yard, being led, being ridden or lunged on the grounds at an event.

### Unmounted Presentations

Presentations will be held at the conclusion of each day's event at the Village Green. Due to Qld Health Guidelines and social distancing requirements :- **Presentations will not be compulsory for everyone to attend this year.** The time for each discipline presentation will be announced in the afternoon and only those riders who are receiving awards are expected to attend.

### Awards

Ribbons are awarded for each class placing 1st to 6th. Comets and ribbons are awarded for **overall** class placings 1st to 10th. Champions will receive a rug. Reserve Champions will receive a saddle cloth.

The scoring for Champions, Teams and Overall Trophies are outlined in the current 2020 IQ Handbook.

*The overall perpetual trophies will be presented at the Eventing States that is being run in conjunction with the Toowoomba Jump Club competition on the 10/11th October. The Primary perpetual trophies will be awarded on Sunday 4th.*

### Overall High Point Off The Track Thoroughbred Trophy

### IQ States 2019 - Trophy Recall

The 2019 State Champions / Champion Schools are asked to return their trophies to the Moathouse (IQ on site office) on Oct 1st. Please ensure that they have been appropriately engraved.

## Uniform

All riders must be in their full school approved equestrian competition uniform (including helmet, team caps & horse saddle pads).

This is considered appropriate protocol for a State Championship and the committee expects schools, riders and their parents to support this expectation. In Show Jumping Course walks, riders are to be attired in full competition uniform including helmet & crop.

**NB \*\* Failure to comply with this rule will result in any awards, points or ribbons being forfeited\*\***

## Helper Jobs

Each rider will be required to nominate a helper for the event. This is a compulsory requirement. Once again, we are using the '**Sign-Up**' App to manage our helpers roster. Please access the website or download the app and familiarise yourself with it. It is easy to use and it allows you to choose jobs that suit your schedule, rider draw and family. This system was used at the 2019 States & Nationals and it worked very well.

How it will work:

All available jobs will be listed in the '**Sign-Up**' App, the link will be **emailed out to all riders & will be on Social Media**. The Sign Up will open on **Sunday 27th Sept 5.00pm** (draws will be open). It will close **Tuesday 29 Sept Midday** (2 days after opening). Job choice will be on a '**first in**' basis. To ensure you obtain your preferred jobs/times it is advised you sign up early.

**You are required to sign up for 1 job per child .**

If families do not select their jobs by the close-off point on Tuesday 29 September at Midday they will be allocated a job from any remaining jobs. Reminders will be sent prior to the opening and closing of the 'Sign-Up' roster, but we ask you to take responsibility for signing up within the required timeframes.

We will post the completed 'Sign-Up' roster at the venue and the 'Sign Up' App will send out automatic reminders so ensure you check your emails. It is the responsibility of each rider and their helper to ensure that they check the 'Sign-Up' roster and complete their nominated tasks or find an appropriate substitute person to do so.

## Helper Sign In Procedure at Event

Helpers must register at the nominated area prior to the start of their allocated job. This will be different for different disciplines so consult the final published roster to see where you need to go.

### **FAILURE TO DO HELPER JOB**

If the helper fails to arrive for duty as per the roster, the rider's name will be forwarded to the IQ State Committee on the day of the competition and the rider will be ineligible for placings or points for that competition.

The rider will NOT be eligible for prizes at the State Championships and will be automatically considered as riding HC for the event. This will mean the rider will also be ineligible for the 2020 Queensland Merit Team. In addition, the IQ Committee will notify the rider's school.

**Please do not put the committee or your child in this situation.**

**If you need to scratch from the Event you MUST try to find a replacement for your job and inform the IQ Events Secretary with who your replacement is.**

IQ Events Secretary - Deb Lockhart 0400 746 206 (text only) or email [interschoolqld.secretaryevents@gmail.com](mailto:interschoolqld.secretaryevents@gmail.com)

If you do not try to find a replacement you will be charged a \$50 fee which will be deducted from your refund and the IQ Committee will notify the rider's school. If you have endeavoured to find a replacement but are having difficulty or if you are scratching due to an emergency please contact the IQ Events Secretary ASAP who will assist you.

## **Horse Welfare**

Horse abuse in any form will not be tolerated. If horse abuse is determined the athlete will be disqualified from the competition. The sighting of blood on the horse during a test, whether wet or dry, will entail elimination and/or investigation by the Ground Jury/Technical Delegate based upon the Sport Rules of the discipline involved.

## **Soundness**

The Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during the competition or from competing – any disputes in this area will be considered by the ground jury on the day and/or the Technical Delegate. For Dressage there is no appeal against this decision.

## **Clean Sport**

Now is the time for a reminder that the use of prohibited substances in your horse is not tolerated and riders must be aware that random swabbing of horses may occur at random and will be conducted at any of these events. You should consult with your Vet regarding any current treatment and should be aware of the potential risk of self-administration of prohibited substances.

The FEI publishes a caution against the use of herbal supplements and products of which the ingredients are unknown. The use of any substance to affect the performance of a horse in a calming (tranquillising) or an energising (stimulant) manner is forbidden. The use of a calming product during competition may also have important safety consequences.

All controlled or banned substances can be found here:  
<http://www.equestrian.org.au/medication-control>

There is also a smart phone FEI App you can download to your phone or access the web site here: <http://www.fei.org/fei/cleansport/horses>.

## Saddlery and Equipment

**MARSHALLING/GEAR CHECK.** A designated marshalling/gear check will be made available and is compulsory for all competitors prior to their entry in **each phase of every class**. Competitors are to check into marshalling 15 minutes prior to ride time. Competitors may not compete until they have been cleared through marshalling/gear check.

**NOTE: Armbands must be worn to be cleared through gear check.**

For Dressage, riders may undertake their gear check process up to 30 mins prior to ride time. This is to allow those riders that so choose, to have an uninterrupted warm-up period prior to their test. Where possible, marshalls will assist riders to move through to their correct ring at the correct time, but this is primarily the responsibility of the rider.

All equipment must comply with EA regulations for the particular discipline. It is the responsibility of the competitor and/or parents to ensure that saddlery and equipment is in good repair, meets the relevant safety standards, is fitted appropriately and meets the regulations for that event. **It is not the responsibility of the volunteers at Marshalling/gear check.** Please refer to the illustrations of allowable equipment and information in the EA Rule Books and the information specific to each discipline in the IQ 2020 handbook.

## Dress for Riders

Riders competing in an EA competition, must wear an approved helmet with the chin strap fastened at all times. The same is recommended when riding a horse at any time. Protective headgear must conform with one of the current approved safety standards:

- Current Australian standard AS/NZS 3838 (2006 onwards) provided they are SAI Global marked.
- New Australian standard ARB HS 2012 provided they are SAI Global marked.
- Current American standards ASTM F1163 (2004a or 04a onwards) provided they are SEI marked.
- Current American standard SNELL E2001.
- Current British standard PAS 015 (1998 or 2011) provided they are BSI Kitemarked.
- Interim European Standard VG1 (01.040: 2014-12) with or without BSI Kitemark.

## Body Protectors

Body Protectors for jumping elements are not compulsory under EA rules. The IQ strongly recommends their use in the interest of safety.

**Callers:** Callers will be allowed for **Primary riders** but we do encourage experienced /older Primary riders to consider riding without a caller, in readiness for possible selection for the State Team and to help prepare for Secondary Dressage competition.

The dressage competition is run under EA and FEI rules and the 2020 IQ Handbook.

### **Class limits and Qualifying criteria for Dressage:**

Class numbers will be limited and entries will be ranked to determine acceptances for any classes with entries over the class limit of 35. Test scores will be averaged and the highest ranking qualifiers will be invited to compete. Year 12 riders will be prioritised.

Please advise of any withdrawals as soon as possible so that riders on the reserve list may be notified.

Qualifying Criteria has been reduced for 2020 to help riders gain qualifiers in the COVID environment. Riders are required to have 2 test results gaining 55% or more from an IQ or EQ tag-on event. One test may be taken from States 2019. As per the handbook, Medium and above riders may use results from a 2\* competition as qualifiers. Additionally, for riders without results from the above mentioned events, the IQ Committee will consider results from any EA approved competitive dressage competition.

**Total Freestyle numbers (across Novice, Elementary, Medium, Advanced and Inter 1) may also be limited.** The cap is yet to be determined and will depend on the final schedule but a cap of 20 freestyle riders may be imposed. If this occurs, and entries exceed the capped number, then the entries will be ranked to determine acceptances for classes. **Riders may only enter one class per horse rider combination.**

### **Important note for riders wishing to compete in both the Dressage and Showjumping events:**

**Rings WILL NOT BE HELD**
