Welcome to the 2019 Elmore Equestrian Club Interschool Qualifier

The Organising Committee looks forward to welcoming you all to their event and hope you have a great time catching up with friends, enjoying fun horse activities whilst representing your school.

Volunteers are crucial to this event. Without volunteers these event would not run. Volunteers will be required to donate approximately 2 hours of their time. This year we shall offer the option for riders to pay \$50 at time of entry to eliminate the need for them to volunteer.

VOLUNTEERING: Please note one volunteer per team will be allocated jobs to do during the event, (which will include pencilling and test sheet collecting).
IF your volunteer info is not recorded or payment offered your entry will be rejected.
If your volunteer does **NOT** turn up to their job your team will be **penalised 10 POINTS**.

Please read the General Rules and Conditions before you enter. It is your responsibility to know the discipline rules run under EA for each event entered.

Combined Training Rules

- The Combined Training will run in accordance with EA Rules in the Current EA National Eventing Rulebook, which can be obtained from the website, and contains dressage and jumping phases only.
- Riders are only permitted to complete in one class per horse
- The same horse and rider combination must complete both phases of the competition. Elimination from one phase involves elimination from the competition.
- Competitors are NOT permitted to ride with a whip or spurs within the dressage phase.

Scoring System

- As combined training runs under Eventing rules, rider are placed based on the number of penalties they incur over the 2 phases. This means that the rider with the least penalties when penalties from the dressage and jumping phases are added will be the winner. Dressage penalties are calculated by subtracting the average percentage from 100 and multiplying it by 1.5. The result is always rounded to one decimal point. Jumping penalties are calculated in the normal manner as per jumping.
- In the case of equal scored for placing's in a class, the rider with the best dressage score (least penalties) will be the higher placed. If equality still exists, the closest to the optimum time (under the time set) in the jumping element will be the higher placed. If there is still a tie, the placing will be shared and the subsequent place not awarded.

Showjumping Championship

Sponsored by:

Show jumping rounds are scored individually

One Round Table A Article 238 2.1

Athletes with equality of penalties for any place are places in accordance with the time taken to complete the round.

In the event of equality of penalties and time for first place, there may be a jump-off over a shortened course over obstacles, which may be increased in height/or spread in accordance with the provisions of the schedule. Please note-this is only if fault and times are exactly the same so it is very rare that this second round jump off is ever run.

Two Phase Article 274 5.3

This competition comprises two identical phases run without interruption, each at an identical or different speed, the finishing line for the first phase being identical with the starting line for the second phase.

The first phase is a course of 7 to 9 obstacles with or without combinations (Table A against the clock). The second phase takes place over 4 to 6 obstacles, which may include one combination (Table A against the clock).

Athletes penalised in the first phase are halted by ringing the bell after they have jumped the last obstacle or when the time allowed for the first phase has been exceeded, after crossing the finishing line of the first phase. They must stop after crossing the first finish line. Placing is according to the penalties and time in the second phase and, if necessary, the penalties and time in the first phase. Athletes stopped after the first phase may only be placed after athletes who have taken part in both phases. In the event of equality for first place, the tied athletes will be placed equal first

Open to P.C.A.V and H.R.C.A.V and E.A members only.

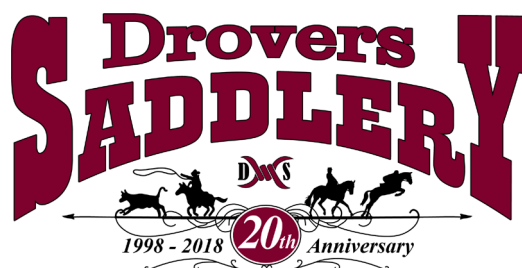

At rider check in you must show your current grading card for each mount
