Camping and Stabling

The GCEG collects the camping and stabling fees on behalf of the Mount Larcom Show Society. We do not make any money on top of these fees.

Camping: Camping is charged at \$20.00 per night for up to 2 people, then \$5.00 per person thereafter. This is for each camp site. Anyone plugged in to the power boxes that are installed around the venue must pay this fee (even if you don't stay overnight).

Stabling: Stables are charged at \$10.00 per stable per day.

Stables must be left in a clean state with manure etc. taken to designated areas. If stables are left dirty, the Show Society charges us \$50.00 per stall to clean them. This fee will have to be passed on to the stable user. Alternatively if you arrive and the stables are not cleaned appropriately, please take photos and advise one of the committee members so we can inform the show society.

Please fill in the following form for your camping and stabling. The details in the form below will be made available to the caretaker/Show Society committee to ensure they are able to collect any stabling or camping outside of these.

Please notify us as soon as possible if there are to be any changes to your details below:
