# Message from the President

Thank you to all Exhibitors and Producers that have aimed to have cattle ready to support Wingham Beef Week for the 33rd Annual Event, unfortunately due to the risk of the current COVID-19 virus, for the safety of everyone involved and due to government recommendations we decided to scale back the event.

This Carcase competition has been pulled together to give those that have cattle on track to be finished for Wingham Beef Week an opportunity to compete and receive competition feedback whilst having an avenue to sell those finished cattle. Prizes and money will also be on offer for those cattle.

# **Bob Jamieson Agencies & The Manildra Group** **School Steer Challenge.**

Following our initial School Steer Challenge in 2019, we are proud to announce Bob Jamieson Agencies and The Manildra Group are sponsoring a School Steer Challenge in 2020.
