3 Day Event @ WALLABY HILL

Welcome to the Bucas International 3 Day Event @ Wallaby Hill, we hope you enjoy it. Below is information that should answer many of your questions. Please remember that Wallaby Hill is a private property and as such is not set up like many other equestrian facilities. Littering the property and not tidying up after yourself will only serve to put your entry fees up. Riders and spectators are prohibited from driving around once on the property. It is a safety hazard and will shut the event down. We appreciate that you may have elderly friends and family hoping to come and watch; but we are not in a position to move on this. So please read on and have a successful and safe ride.
