Rider Testimonial

"Thank you so very much for your encouraging assessment of our Novice dressage test. I totally agree with every single comment you made (positive and constructively 'negative' 😊😊). You know what I mean by that 😊).

I just loved that you commented on what a nice horse Baxter is. I'm not sure if you were aware or not, but Baxter is an ex-pacer, so your comment really meant the world to me! Thank you!

He's a very special boy and he's teaching me to be a better rider. I'm very proud of him 😊😊❤️

Thank you also for running your online competition!! I just wish there were more!!

I learn so much more from online feedback than from 'real time' feedback (as obviously, online judges have much more time to consider and comment 😊😊), so I find these online comps EXTREMELY valuable. I know it must take up an extraordinary amount of your time also, so many, many thanks for running it! 😊😊❤️

I'm very much looking forward to the next one 😊👍"
