Proudly hosted by Zone 7 Pony
Clubs**

It is with the greatest of pleasure that on behalf of Zone 7 we extend an invitation to all competitors, families and friends to join us at Maryborough Equestrian Park in July for the 2022 State Dressage, Combined Training and Horse Trials Championships.

Being located on the northern side of Maryborough on the Bruce Highway makes the location very accessible. Thanks to the Fraser Coast Regional Council we are provided with ample camping areas, good stables and suitable amenities. The team at Maryborough Equestrian Park always go above and beyond and will, as always have the facilities at their best for the July championships.

Maryborough Equestrian Park is an outstanding facility with suitable surfaces for each phase of the championships. With the well maintained cross country course located within the same venue we have the benefit of being able to hold the entire event in the one location.

These events would not be possible without the amazing support of our sponsors. We thank you all in advance for your valued support and ask our competitors to also pass on their thanks to our sponsors and let them know that their support is appreciated.

We look forward to offering a warm welcome to everyone in July 2022 and trust you have safe travels to join us at what we expect to be a great Championships with a friendly atmosphere.

Sincerely

Request for special permission to leave must be made in writing by the Zone Team Manager and may be granted by the Judge in Chief and the Chief Steward in exceptional circumstances, Presentation of ribbons for competition completed on Day 1 may take place at the conclusion of Day 1 at the discretion of the committee, the Judge in Chief and the Chief Steward.

11. CLASSES

If numbers in any class are insufficient, classes may be combined. Groups of over 30 riders but less than 40 riders may be divided into two groups, but will be divided if numbers exceed 40. If there are less than 3 riders in any group the riders do not form part of a team (Zone or State).

12. SCORING

Dressage

10 points to 1 point are descending to 10th place. The overall placings are determined by these points. In the event of a tie for overall placings, the actual marks for the number of tests involved will be averaged and the rider with the highest average score will be champion. If still equal, the rider with the highest score in the highest test will be the winner.

Combined Training

Combined training competition is on a penalty point basis and the winner of the competition has the lowest total penalty points.

Horse Trials

Groups are scored 10 to 1 descending from 1 to 10th place. The competition is on a penalty basis and the winner of the competition will have the lowest total penalty points.

In the case of a tie, the winner will be the competitor with the best cross country score. If there is still a tie, the winner will be one whose cross country times was the closest to the optimum time. If still equal, the dressage mark will decide who is placed higher. This principle applies to tied placegetters and teams.

13. TEAMS

Riders in all groups will be included in the State and Zone Teams where applicable. Refer to scoring handbook for more detailed method of scoring for teams in each discipline.
