

NORTH COAST EQUESTRIAN CLUB ODE October 2025

CAMPING, STABLING & PARKING:

Allocated areas are available to people who will be erecting their own EA approved yards. This has changed slightly since the map was created but it will still be in the same area as depicted in the map. If you're unsure please come and ask.

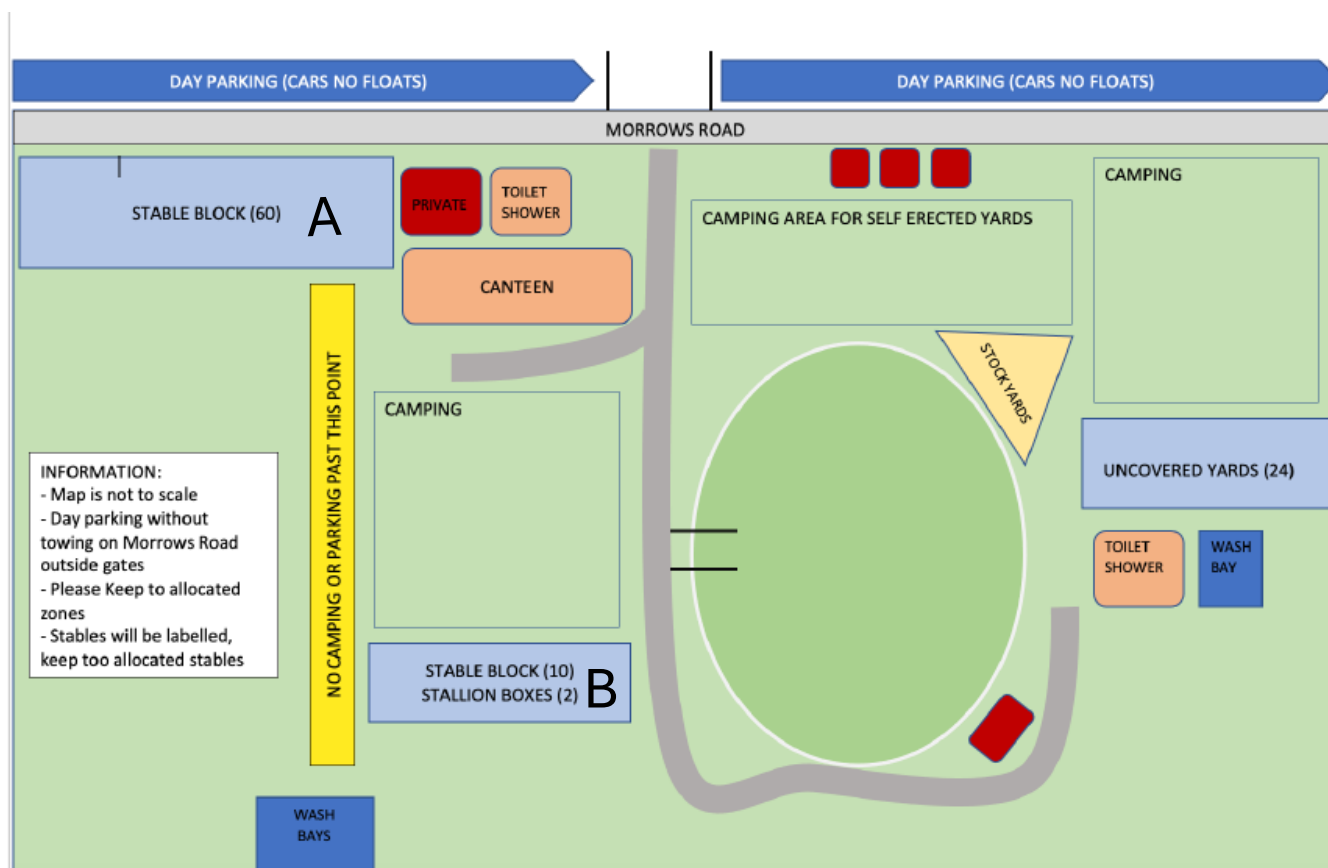

Please also note the locations of our covered stables/yards, stallion stables and uncovered yards - These are allocated and labelled by the organising committee.

Only paying participants will be able to use stables and these must be cleaned of waste into the allocated collection areas on departure or stable bonds will not be returned.

Limited shaving available so if you would like to ensure you're horse has stable bedding please bring some or pre-organise some to be delivered – Norco Coffs Harbour [6691 2800](tel:66912800)

Any day parking (non-towing cars) are to park on the grass outside the gates. Only towing vehicles to enter grounds.

Classes will be combined or split at the discretion of the Organising Committee

Riding is a dangerous sport and riders enter the competition at their own risk.

The Organising Committee, EA, Eventing NSW do not accept any liability for any accident, damage, injury, or illness to horses, riders, grounds, spectators or any other person or property whatsoever.

VOLUNTEERING:

As a small committee we need lots of volunteers to make events like this as fabulous as they are. Please note we have added a volunteer levy to our fees. This will be refunded in the week following our event for those who partake in their selected volunteer role (this may also be someone nominated on your behalf).

It takes approx 240 **volunteer** hours to run an ODE - this is just over the two days of the actual event. There are countless hours volunteered by the Organising committee and unpaid officials. This is why we ask for help before, during and after the event wherever you can spare any time.
