Friday Riding areas

- Around grass dressage Arenas.
- Ebb and Flow warm up arena.
- Undercover arenas.
- Sand arena near cross country.
- Around arenas in Campdraft arena.

Attention All Riders

EvA80 RED and EvA95 WHITE as per new rules

Riders in EvA80 classes and below can elect to miss up to 2 fences on cross country, (incurring 100 penalties each time).

Check after a fall – you must be checked by Medical after a fall anywhere on the grounds before either riding again or leaving the venue.

Vet Check after elimination or retirement on XC - you must take your horse to the vet at the finish if you are either eliminated or retire on the XC course no matter what the reason.

Continuing after elimination – you may not continue XC after any clear form of elimination e.g. 3 refusals at a fence (remember A and B elements count as the same fence) or 4 refusals around the course (3 at 2* and above)

Skinny fences and the 15-penalty rule – in judging these fences the only video that will be considered is official video by a designated person. It is unlikely that all fences will be videoed and, in these cases, we will rely on the fence judge's expertise.

Eliminated Combinations in any phase may not compete in further phases of the competition with the exception that combinations in National Classes may do so with the explicit permission of the Technical Delegate.

FEI Riders incurring 20 or more obstacle penalties in Showjumping will be automatically eliminated from competition and unable to start Cross Country

If uncertain about these or any other rules, please ask for help – **we are happy to help!**

The event will be run under EA rules. The Organising Committee reserves the right at their absolute discretion to alter or amend any of the conditions, regulations or any aspect of the event as they see fit. All owners and competitors will be personally responsible for damages to any third parties caused by themselves, their employees, their agents or their horses.

COVID Safety Plan and Eventing NSW Mitigation Plan can be found on the EA website.

If you have COVID-19 symptoms, please notify the committee immediately and do not come to the event.

For spectators and volunteers and any other foot traffic, please enter through Gate 5.

Free parking in front of the indoor arena.

We are looking forward to seeing you all there.

AELEC is owned by the Tamworth Regional Council. We are so fortunate to have such a wonderful facility, please help us to take care of it. All Camping will be via Gate 7, please drive past camping gate house, past indoor arena, through the roundabout. The boom gate will be monitored. You will then drive past the Ebb and Flow arenas, around the campdraft arena and into the camping area to find your camping position.

Please camp in your allocated positions and have your horse in the correct stable. At the end of the weekend, all bedding needs to be removed to be eligible for your refund. Please bring a wheelbarrow, rake, shovel, broom, as AELEC does not provide these. Camp sites will be randomly checked. Please check you are on the correct camping site.

We have such amazing stables - temporary yards are not allowed at AELEC.

Day parking is through the roundabout past the indoor, turn left and then hard right into the parking area on the right BEFORE the boom gate. The gate must be kept closed at all times.

To access the arenas there is a gate into the adjoining paddock and a roadway towards cross country which will lead you to the riding areas.

Dogs are welcome! But must always be on a lead, don't forget your lead.

The main office for riders will be at the top of the Ebb and Flow arena.
