

WARRUMBUNGLE EVENTING HOUSEKEEPING

Welcome to our 3rd attempt at hosting our 2021/22 event. In July covid halted our plans then in November 6 inches of overnight rain again forced the postponement so let's hope 3rd time lucky!

The showground will be open from 8.00am Friday 8th April. Please keep the gate onto the highway closed.

Stables are on a first in basis there are plenty of large stables available in and near the Sheep Pavilion. Many of the old Pony Club stables have been enlarged to accommodate big horses. There are some reserved stables for officials these are named in the Cattle Shed area and near the Bowling Club gate.

There are showers and toilets on each side of the showground and at the XC warm up area. There are plenty of power outlets for camping. Camping is free. If you have not paid for a stable and intend using a stable please come and pay at the office. Please note those riders camping with their own yards that the area from the Jack Beer Pavilion to the road near the stables is a horse free camping area. Campers with yards can camp below the Jack Beer or on the highway side of the Showground.

We have been advised by the Health Department to warn competitors and their friends of the real danger posed by mosquitos. Please cover up at dawn and dusk. Camp fires are allowed and there is a small amount of fire wood on the ground.

The Coffee Cart and Canteen will operate from 7.30am Saturday and 7.00am Sunday and continue till mid-afternoon each day.

The Warrumbungle Eventing Club Committee is looking forward to this weekend. We have record entries and we are able to break the lower grades into divisions. The XC course has had some work on the track and general improvements thanks to funding through Crown Lands. There have been upgrades to many of the cross-country fences and improved power outlets for camping upgrade to the toilet block near the wool pavilion and improved hot water for the showers.

Good Luck to all riders over the weekend.
